### **Phone Solutions, Inc. Becomes Dealer of XBlue Networks Product Line**

Ellenton, Florida, March 15, 2008 — Phone Solutions, Inc., Tampa Bay's leaders in business communications, announced today that the company has completed an agreement to sell the XBlue Networks product line. XBlue Networks concentrates on one absolute goal; providing outstanding, unparalleled value to small business. As a result of this exclusive focus XBlue designs and produces the best communications system solution for your business.

XBlue's management team is comprised of telephony industry executives who have extensive experience in key system design, manufacturing and support. XBLUE senior management's previous experience includes executive positions at major key system manufacturers.

Jim James, Sales Manager for Phone Solutions, Inc. commented, "The XBlue products are a great option for small businesses as well as restaurant and retail outlets. We think that the systems will complement our existing offerings, and be an low cost solution in a number of situations."
